Welcome

Welcome to the 2020 Global Mosharaka Congress on Education and Sciences (GMC-EduSci 2020). This event is intended to represent a major forum for professors, students, and professionals from all over the world to meet in the beautiful and culturally rich city of Amman to present their latest research results, and to exchange new ideas and practical experiences in the most up-to-date areas of this exciting field.

Organizer

[Mosharaka for Research and Studies](#)

Submissions

The type of articles that will be considered for publication include case studies, reviews, as well as theoretical and empirical research. Only papers with top technical quality will be accepted; a fact that is assured by a world-class technical program committee (TPC) and a thorough and rigorous peer review process. All submitted manuscripts are peer reviewed by three or more reviewers, and acceptance/rejection decisions about a manuscript are based mainly on the importance, originality, clarity, and contribution of the submission to knowledge in the scope of GMC-EduSci 2020.
